

# Emergy Oil LLC Presents Strategic LNG Export Investment Opportunity Galveston, Texas – State Waters

---

## Unlock the Future of U.S. LNG Exports

Emergy Oil LLC is offering a premier investment opportunity in a **small-scale, modular LNG Export Facility** strategically located in **Texas state waters off the coast of Galveston, near the prolific gas field with a minimum reserve volume 2.5 Billion Cubic Meters**. With **proximity to multiple actively producing gas wells**, this project ensures a stable and cost-effective supply of natural gas, providing unmatched value for investors.

## Project Highlights

- **Prime Location:** Just offshore from Galveston, TX, near a major **Frio gas field**, with multiple **active gas producers** ensuring direct and cost-efficient supply.
- **Target Capacity:** Initial phase targeting **1.5–2.0 MTPA (Million Tons Per Annum)** of LNG, with scalable expansion potential.
- **Supply Chain Advantage:** Direct access to Texas's **vast natural gas reserves**, leveraging existing pipeline infrastructure to secure long-term supply agreements.
- **Regulatory and Development Progress:** Actively engaged in permitting, site assessment, and pre-FID (Final Investment Decision) groundwork to accelerate the project timeline.
- **Favorable Market Conditions:** U.S. LNG exports are **surging**, with increasing global demand, particularly in Europe and Asia.
- **Investor Opportunity:** Early-stage investment with high potential ROI through equity participation or structured financing.
- 

## Why Invest?

- **Strategic U.S. Gulf Coast Location** – Direct access to shipping routes and high-demand international markets.
- **Low-Cost Feedstock** – Proximity to abundant gas supplies reduces operational costs.
- **First-Mover Advantage** – Invest in a project that leverages Texas state waters for LNG exports, benefiting from **lower regulatory hurdles** than federal offshore waters.
- **Strong Returns** – Competitive offtake agreements and long-term gas supply contracts enhance investment stability.

## Investment Offer

Emergy Oil LLC is seeking **\$750M – \$1B** in equity investment for the development of this **small-scale LNG export facility**, with potential for expansion as market demand grows. Investors will gain early access to a **high-growth energy sector** with **strong projected returns** and long-term strategic advantages.

## Join the Energy Revolution

Emergy Oil LLC is leading this **transformative LNG export initiative**, positioning investors at the forefront of the growing global demand for **clean, efficient, and scalable energy solutions**. **For more details or to schedule a discussion, contact us today!**
